LABOR PARTY IN NATIONAL CONVENTION

Radicals Meet at Chicago To Nominate Candidates For President and Vice-President

CHICAGO, Nov. 22.—One thousand delegates representing labor and farmer organizations and non-partisan leagues, attended today the opening session of the National Labor Party Convention, to outline a platform and name a candidate for President of the United States.

The conservative and radical elements of the American Federation of Labor clashed, during the committee meeting, preceding the convening of the convention.

John Fitzpatrick, president of the Chicago branch of the American Federation of Labor, and chairman of the steel strike committee, called the convention to order. He declared that the convention intended to attack the two major political parties, the Democrats first, because of their attitude towards labor, and the latter next, because of their partnership with the big interests.

The convention will consider a resolution urging the recognition of the Russian soviet government. The party platform as already announced will include public ownership of utilities, restoration of all civil liberties, and abolition of all lands for speculative purposes.

BERGER ADOPTS PROGRAM

MILWAUKEE, Nov. 22.—Victor Berger will run again for Congress on a platform urging a "representative government against militarism and imperialism, against prohibition, against espionage, and act against meddling in internal affairs of any foreign country, and act for freedom of ships, for a free press, and an assembly for compelling profiteers to pay the cost of the war."

The British government has placed a contract with Germany for \$3,750,000 worth of potatoes.

MORE PAY FOR COAL MINERS IS SUGGESTED

Secretary Wilson Asks Operators to Grant Still Higher Wages to Coal Miners

MORE PLANTS TO CLOSE

Essential Industries Only Are Being Operated at the Present Time in Many Districts

COAL MINERS ACCEPT

WASHINGTON, Nov. 22.—This afternoon the coal miners officially announced that they would accept the proposals made by Secretary Wilson.

WASHINGTON, Nov. 22.—It is understood that Secretary Wilson has proposed to the coal operators that they pay the coal miners an increase of 37 cents a ton for the miners and \$1.55 per day for day laborers.

T. T. Brewster, chairman of the operators' committee, said the proposal made by Wilson only serves to widen the breach between the miners and operators.

Yesterday the operators declared that they would not pay more than a 15 cent per ton increase and a 50 per cent wage increase.

The coal operators stopped the conference today, having adjourned until tomorrow, and today they will consult with Dr. Garfield, fuel administrator.

SECRETARY WILSON MAKES DEF- INITE PROPOSAL

WASHINGTON, Nov. 22.—It was announced last evening that Secretary of Labor Wilson had made definite proposals to the coal miners and operators to end the strike. It is believed that these proposals include a wage increase of 37 per cent, thus absorbing the difference between the increased cost of living and the former wage scale.

MORE PLANTS TO CLOSE

CHICAGO, Nov. 22.—Additional shut downs of plants, mainly in the central part and the west, are in prospect for the fourth week of the coal strike. Seventeen hundred tons of coal arrived here for the public utilities committee. Only indispensable industries are being operated at the present time.
